

Dear Parents,

MY SCHOOL CARD

Through your continued support of My School Card you have raised for Grey almost R90,000 in 2014. A wonderful effort for which we are most appreciative. Well done!

If you do not as yet have a card please apply for one directly on the My School website called <http://www.myschool.co.za/>. It is for free and it will reach you in the post. To those parents who are new to the Grey High School and already possess a card may we please ask that you also enter the web site and change the details of your beneficiary to the Grey High School. This appeal is directed mainly at our new Grade 8 parents whose boys have come to us from other schools and to which their cards My School cards may still be linked.

Please make the Grey High School now your benefactor!

Kind regards,
Ian

Ian Pringle
