

Grey High School

THE RUGBY STAND ON THE PHILIP IS COMPLETE!

Situated adjacent to the scoreboard, this exciting new development provides an excellent elevated “down field” view of the match. This rugby stand is a wonderful way for you, a proud parent of the School, to share in the history of Grey High School by having your or your son’s name on a granite plaque placed on the stand in perpetuity.

The following are the details

- Your R5000 (tax deductible) donation entitles you to a plaque which will be mounted on the back inner wall. It is your personal plaque and will remain in perpetuity.
- For the 2014 rugby season, seating is on a first come first served basis with a certain number of seats being reserved for sponsors, guests and 1st Team Rugby parents.
- From 2015 all available seats will be sold on a season type basis.
- It is important that the writing on the plaque is not cluttered and therefore only the name, year and limited further detail will be allowed (see photograph of plaque above).
- Maximum of three names per plaque is permissible.

The sale of plaques has been going exceptionally well and all interested parties are encouraged to complete the attached reply slip and return to dave@emslieenterprises.co.za cc jessilow@outlook.com

Note: Grey High School has contracted Emslie Enterprises to manage this project and all are requested to communicate via Emslie Enterprises as per the above email addresses and not with the School or the Old Grey’s Union.

NEIL CRAWFORD
Rector
