### 1st XI Report

The first derby of the winter season brought with it much excitement.

A perfect autumn evening, coupled by an ever expectant crowd exceeding 3500 meant that the stage was set for the match of the day. Friday Night Lights was back.

Both teams didn't give too much away. However it was Paul Roos that had the ascendancy throughout the course of the game. A few missed opportunities by Paul Roos allowed the Men in Azure some breathing space heading into the final two quarters.

Some great defensive work and distribution by captain Casey Keevy in the mid field caught Paul Roos on the back foot and in the space of three passes Grey found themselves in the oppositions D. Daniel Ristow did what he does best and found the back of the net with a well executed backhand shot sending the home crowd into raptures.

This further spurred the opposition on but yet again resolute defense and superb Goal Keeping by Keenan Friend kept Grey in front.

Paul Roos then forced a turn over deep in Grey Territory and a break away counter attack ensued. The visitors equalized much to the excitement of their bench and boisterous crowd.

A late controversial goal by Paul Roos was disallowed by the umpires leaving the score at 1-1 at full time

What a GREAT advert for premier schools hockey.
