HOCKEY TOURNAMENT

2026

24 - 27 APRIL

PROGRAMME

GREY HIGH SCHOOL, GQEBERHA, EASTERN CAPE

A MESSAGE FROM RECTOR

It is a privilege to welcome all visiting schools, teams, and supporters to our campus for this, our annual **Standard Bank Hibbert Shield Festival**. These occasions are not simply about competition; they are about celebrating the role of sport in shaping the character, discipline, and resilience of our young men.

The thrill of rivalry and the pursuit of victory are part of the game, yet the deeper value of school sport lies in the lessons it imparts: respect for opponents and officials, the bonds of teamwork, humility in success, and dignity in defeat. Such qualities reach far beyond the pitch and prepare our boys for life beyond school.

We ask every participant and spectator to uphold the highest standards of sportsmanship. Cheer with passion, but with respect. Compete with determination, but with fairness. Support your team wholeheartedly, while recognising and appreciating the efforts of others. In this way, these gatherings remain a celebration of friendship, mutual respect, and a shared love of the game.

We trust your time here will be memorable, filled with spirited competition, new connections, and experiences that endure. While results are recorded on the scoreboard, the true victories are found in the character we build, the camaraderie we share, and the friendships we forge.

On behalf of Grey High School, I extend my gratitude to our sponsors and staff, whose dedication has made this weekend possible, and I wish every player, coach, parent, and supporter an enjoyable and rewarding festival.

WELCOME

FROM STANDARD BANK

Standard Bank is proud to once again partner with **Grey High School** in hosting the exciting Rugby and Hockey Festival. As a bank heavily invested in education in South Africa, we also equally recognise the critical role that sport plays in a well-rounded education and the development of strong character.

Aligned with our core purpose, Africa is our home; we drive her growth, our role in the festival reflects our deep dedication to the growth of our continent and its people, most importantly our youth.

We believe this platform does not only nurture the young people who participate in it but shapes them to be responsible, resilient, and inspired future leaders. That is why we are so passionate about supporting youth development.

Through our collaboration with Grey High School, an institution renowned for its distinguished history of excellence, we also recognise that growth is not always easy – it is not linear, but is built through discipline, sacrifice, resilience, and moments of self-belief. And it is strengthened by challenges and carried forward by purpose.

We know that when one young person grows, families grow, communities grow, and our country grows. As we continue to support festivals like this one, we see ourselves as more than just a bank, but a committed partner in a child's journey to greatness.

Our goal is to unlock opportunities by building strong relationships that enable collective success. Our partnership with Grey High School is therefore grounded in a shared belief in excellence, empowerment, and opportunity. This spirit of teamwork and cooperation defines our commitment to you.

To the parents, we want to say to you, thank you for continuously encouraging and supporting your children to be the best they can be in a forever changing world. To the learners, play with passion, lead with integrity, but most importantly, have fun on the field. Know that every match is a chance for you to grow.

We look forward to an incredible festival of growth and excellence.

Thank you.
